## Automated Coverage & Coordination of Benefits Resolution

Sirono Patient Demographic File Results	Patients Loaded	Eligible Patients	COB Additional Coverage Found	Patients with Address Changes	No Active Coverage
Patients	8251	1763	1412	3589	6488
Percentages	100.00%	21.4%	17.1%	43.5%	78.6%

## Billable Charges

Patients with Eligible Coverage	\$2,770,305	Self-pay patients where active billable coverage was found.
COB Additional Coverage Found	\$4,942,000	Patients with active coverage on their account that have another payer who is the primary responsible party. The claim will be recouped by the payer.
Patients with Address Changes	\$17,317,035	Demographic errors will lead to statements not being delivered such as the incorrect address.

The dollars represented above are billable charges and not revenue.

Increase patient payments and loyalty to your healthcare organization.
